Dear Parent/Guardian,

Research indicates that using technology in the school setting results in students who are more active, engaged and more likely to take pride and ownership in their learning. Regular technology use will increase self-advocacy skills including seeking assistance, conducting research, problem solving, and communication. Student confidence will grow as they rely less on the teacher and more on their own initiative for knowledge-creation.

BCOM Computer Centre is proud to partner with the STAR Catholic School Division to provide quality Chromebooks designed for the K-12 environment, with preferential discounting, to the students enrolled within the Division. To help you in this process we have put together an easy to navigate website:

**BCOM's Educational Portal is located at: [www.b-com.ca/educationportal/](http://www.b-com.ca/educationportal/)  
Your School Access Code is: **65164984****

**New Users:**

Please click on: **New User? Click here to register.** You will be prompted to enter the School Access Code (**65164984**), your name & email address, and a Username and a Password of your choice. After you have registered, please log-in with your newly created account (Username & Password).

Please note that current demand is exceptionally high which has led to a world-wide constraint in supply. To mitigate this, BCOM is accepting pre-orders with no payment and no deposit required. You can place a pre-order for your preferred Chromebook, and reserve your spot in line for the next available shipments. **Payment is only processed when the device(s) ship to you from BCOM Computer Centre in Edmonton.**

**You may also visit us at our retail store location:**

**BCOM Computer Centre - 15051-118 Ave NW, Edmonton, AB, T5V 1H9 - 780.481.8855**
